

## COOSHA YOUTH GROUP ENTRY/RULES

Thank you for considering joining the COOSHA Youth group. We will do everything we can to make it a positive experience.

The purpose of the Youth Group is to get input and ideas of what the Youth would like to see happen in the shows. We will also from time to time be doing fundraisers. We would love to see COOSHA stay active and it is going to take some work from all ages.

Please know that you will be representing the horse show so the following are very important.

1. Represent the club well with good behavior at school and at home. You must show respect in all that you do. Some of you may be the future of COOSHA and you are presently an active member.
2. Do not use profanity and respect all members. We are not going to talk bad about each other –it is really important that everyone works together, not against one another.
3. Not everyone is good at everything but everyone is good at something. Share what you are good at and we can try to make that be a part of what you do.
4. It is requested that you attend all meetings which will be the same time as the adult meetings so then we can all meet together at the end to share what we have been up to and any ideas you have.
5. Wear appropriate clothing-you kids are growing up too fast as it is. Keep it simple☺.
6. You will not be required to sell things but we will need to utilize you at what you are good at. We would like to have you at as many meetings as possible and if you live too far away for that to happen, make sure you have contact between Davina so that you know what is going on.
7. There will be no age limit on the youth group but if you feel that the child is too young, then a parent representative would be nice for those that aren't ready for reading, writing and understanding things.
8. It is understood that you will be showing during the shows but at times it may be requested that you help with passing out prizes or grounds keeping duties during your off showing times, etc..

This will be learning and trial process for all of us and we cannot learn if we don't make mistakes so we will work through this together☺.
